

Fulfilling the dreams of students since 2001

Learning Today Leading Tomorrow

Himalayan Institute of Technology

PROSPECTUS

# Dehradun

Dehradun, the capital city of Uttarakhand is flanked by the majestic Himalayan mountain range in the north and the picturesque Shivaliks in the south. Dehradun and education is quite synonymous. The city has been known as "education capital of India" for its world class institutes which attract students across the globe.

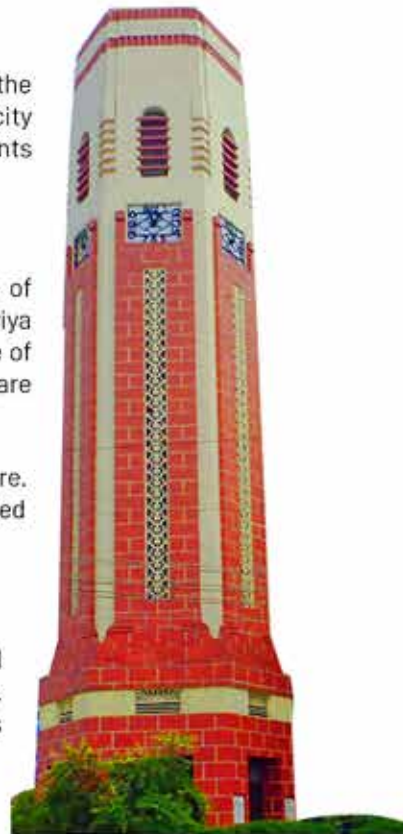

## Higher Education in Dehradun

Premier educational Institutes like IIT Roorkee, HNB Garhwal Central University, Indian Institute of Petroleum, Wildlife Institute of India, Forest Research Institute, Indian Military Academy. The Rashtriya Indian Military College, ITBP Academy, IGNFA, National Institute for Visually Handicapped, Institute of Drilling Technology, Wadia Institute of Himalayan Geology, Indian institute of Remote Sensing, etc are here in Dehradun.

Today Dehradun has pride to place itself over the amalgamation of education and the beauty of nature. The scenic beauty and weather of the city has promoted Dehradun as one of the most preferred locations to pursue the northern belt.

## HIT-Doon

HIT attracts students from all parts of the country which is a testimony to our excellence in the field of professional studies. HIT is offering a wide range of courses pertaining to different fields of studies. HIT has attained a highly respectable position amongst the best professional educational institutions in India.

# Quality

in every activity

We are committed to quality and excellence in all our endeavors,  
Our goal is to provide that education which meets students' expectations with total satisfaction.

## Chairman's Message

Himalayan Institute of Technology has been established with a vision based on hard work, open communication, strong emphasis on team work and a high level of responsibility. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These things are the springboards on which we operate.

It would have been impossible to successfully survive for such a long period and achieve these many milestones without the support of a well versed, highly qualified, experienced and dedicated faculty and staff.

All these years have witnessed the success story of our institution in the form of various achievements by our students. We have not only achieved our dream, but created a niche in the heart of society as one of the prestigious institutions of our state as well.

I am sure you would definitely find a wealth of learning opportunities at HIT that would serve as an essential stepping stone to a fulfilling career in your life.

### I welcome you to join HIT

**Prof. Ajay G Jasola**  
Founder Chairman  
HIT Group of Institution

## Director's Message

Dear Students !

I am delighted to see that you have opted to join Himalayan Institute of Technology (famously known as HIT) Dehradun for your higher education. You will find that situated at a small hillock, The serene beauty and the panoramic view of our HIT campus with greenery all around is simply matchless. I welcome you all at HIT.

The vision of our founder chairman is to provide a best possible quality education to each and every student who come to our institute at HIT with affordable fees. In order to fulfill that vision and achieve our mission, we have created a huge and a beautiful infrastructure consisting of well - equipped labs, spacious and airy class rooms, conference hall, auditorium, canteen and hostels - separately for boys and girls with all modern facilities so artistically that it appear to be a best example of architecture which provides a quiet and peaceful atmosphere for the students to stay and study at HIT.

We know that the libraries are the power bank for enhancing multidimensional knowledge base of students. In order to meet this requirement, we have created a huge library at HIT. There are numerous course books, periodicals, daily newspapers, magazines available for you in the library. The library at HIT is just enviable. In addition, you will find 24 hours internet connection also at HIT with no extra cost. Computer labs are always accessible to students at HIT.

Now let me tell you about our faculty. All of our faculty are well experienced and highly qualified. They leave no stone unturned to provide the best possible education to our students. I am proud of my faculty.

Now we know that without recreation on, all work one no play makes one dull. Therefore, in HIT we have games and sports clubs, youth clubs, cultural clubs and many more for you to enjoy while you study at HIT. With all this that I have said above, I extend a warm welcome to you all once again at HIT. My team of staff and faculty is waiting to greet you with me at HIT.

**Prof. Archana Jasola**  
**Director, HIT Dehradun**

# Welcome Message

Dear Students & Parents,

I wish to thank you for showing interest in HIT, Dehradun. We foster sharpening of skills and enhancement of knowledge base in our students through our faculty who not only keep themselves at par with the current developments but also contribute to the expansion of the edifice of knowledge in the minds of the students through various activities in their field of expertise.

Thus, as a student you will certainly have an enriching and life turning experience that would propel you to take advantage of new opportunities in your life. Hence come and join HIT. I am eager to greet you at HIT with my team of learned faculty.

**Prof. Deepali Joshi**  
Principal, HIT Dehradun

Dear Students,

Change is difficult to navigate if we do not have the knowledge and skills for it. At HIT, you will find a platform where there is an amalgamation of knowledge, resources and opportunities. In your education with us, you will find tools to be ready-for industry or any field, wherever you go in your life.

I welcome you to the HIT at the helm of creating new vistas of knowledge for you and the organisations. I am confident that armed with contemporary education and strong moral values, our students will march ahead triumphantly to capture all the glory and success in life.

**Prof. Sudhir Badola**  
Registrar, HIT Dehradun

Dear Students,

HIT is a beacon of light which illuminates the unseen and the unknown facets of your personality. Apart from academics, cultural and traditional persuasion, we are striving to groom our students' self development and self discipline through self introspection.

The pressures of performance and quality apply to professional education undoubtedly, but the skillful handling of these very pressures make the HIT stand out in a crowd.

**Prof. Praveen Bansal**  
Dean Academics, HIT Dehradun

HITDoon is the passport to your success because, at the Himalayan Institute of Technology, we fulfill your dreams. Our focus is always on the success of the students and see that strong foundation is laid for students development and career growth.

**Department of Medical Education, Govt of Uttarakhand**

# Welcome HITDoon

Himalayan Institute of Technology was established at an auspicious moment in the year 2001. Since then HIT is a member of several national and international bodies.

HIT is maintaining best quality in education. Experienced and dedicated faculty, state-of-art laboratories, Computer Centre, Learning Resource Centre and the wholesome pedagogic ambience provide the students most exciting and gainful opportunities for acquiring knowledge and technical expertise.

The success of HIT is attributed to its motivating and inspiring faculty members. HIT faculty members are expert professional educators and they are specialists in their fields. HIT also invites the visiting faculty from top organization Like IIT, IIM, JNU, TCS, INFOSIS, WIPRO, Taj Group of Hotels, Hyatt, The Leela, ONGC, FRI, HNBBG University, Delhi University etc etc. with rich and varied corporate experience so that the students may get a different insight into the subject with the rich industry experience that the faculty shares with each of them.

An industry oriented training , live projects, mandatory internship, soft skill training, aptitude training prepare student to face interviews and support them in embarking their desired carrier path . The placement cell, with dynamic staff, who are abreast with the latest trends in the industrty bridge the industry -student concept, drawing some of the best players to campus for recruitment.

The Placement cell of HIT has strived to achieve excellence placement records and assisted almost 100% of student with secure jobs in reputed organisations across India at excellent salary packages.

HIT attracts students from all parts of the country which is a testimony to our excellence in the field of professional studies.

Best academic environment, extensive Alumni network in over 300 organisations, excellent placements, interface with Industry and numerous extra-curricular activities make HIT a great educational institution.

**23**  
**Years**  
of Excellence

Himalayan Institute of Technology was established at an auspicious moment in the year 2001. Since then the HIT has grown impressively and achieved exemplary recognition from corporate, academia, and professional circles.

We are consistently ranked among some of the top-performing institutions in the country and hold an array of awards and accolades that evidence our strong performance across all areas including placement, facilities, student experience and sports.

## **in Higher Education**

In establishing HIT, founding members envisioned that HIT would not be a single location educational institute only, but a network of several Educational Institute campuses that would provide Quality Education in different parts. As a result HIT is running following 3 educational institutes in 3 different campuses.

### 1<sup>st</sup> Campus

1st Campus is located at Haridwar Road, Dehradun. It is one of the first non-aided Institutes in Uttarakhand, which has emerged as one of the finest institutes in the country. At HIT, we believe in all round development of students with strong foundation based on pillars of knowledge, intellect and values.

### 2<sup>nd</sup> Campus

2nd Campus is located at Raipur, Dehradun, with a vision to provide Industry Recognized courses to all the students who wish to become professionals in their respective fields.

### 3<sup>rd</sup> Campus

3<sup>rd</sup> Campus is located in the heart of city, Dehradun. What makes it different is, its emphasis on industry relevant and comprehensive education provided to students in a scholarly and focused academic environment.

## Infrastructure

### facilities and services

#### Library

Library is the backbone of HIT. It carries a vigorous role in learning, teaching training, research and development. HIT's library has state of the art E- Learning Center, Reference Section Circulation Counter, OPAC Search, Journals Magazines. Newspaper section are also available.

The Library holds a hybrid collection of printed as well as electronic resources which include books, journals, e-books, ejournals, reports, course materials, previous years question papers, Project Reports, case studies, etc.

#### Smart Classrooms

The Institute is well- equipped with number of classrooms and lecture halls having modern teaching and learning facilities. All the classrooms provide the right ambiance for learning.

#### Conference Halls

HIT's conference halls are fitted with modern equipments. External guest lecturers on various latest topics are regularly invited to deliver lectures to students. Thus students are exposed to the recent technology and trend. Conference halls are used for various seminars, conferences and meetings.

### Computer Labs

The Computer Labs are equipped with latest hardware and software facilities. To keep pace with the fast changing world & to make the World a smaller place to live in, HIT has a faster Internet facility in its campuses.

HIT has access to the Internet through a Wi-Fi with a speed of 300 mbps. Additionally, this high-speed Internet connectivity is available for 24 hours to all the students.

The Internet facility is available throughout the campus & personal login for all students are provided. A highly specialized state-of-the-art Internet lab is also there.

### Canteen & Mess

Canteen & mess serve snacks throughout the day. The Exatic atmosphere is spacious, clean and has been strategically built keeping in mind all details for the convenience for students as many of them come from far off places to make them feel like home.

### Auditorium

The state-of-the-art auditorium is equipped with sophisticated modern equipments. It provides the right environment for holding seminars, workshops, panel discussions and guest lectures.

### Seminar Halls

Seminar halls are one of the major assets of an institution, HIT has made every effort in creating halls that are fully equipd in every aspect.

Each and every seminar hall is fully equipped with modern audio and video aids.

### Hostels

Separate hostels are provided for both boys and girls. Clean and airy rooms offer bed, wardrobes and study tables and chairs. However, students are also free to make their own arrangement they desire.

### Transport

HIT provides transportation facilities for students to various main locations of the city. HIT has its own fleet of buses and vans that ply to and from various vantage points in the city. It is to facilitate easy travel for the students residing outside the college campuses.

The buses travel through the city and suburbs, routes are planned properly to be punctual and convenient for students.

### Green Campus

HIT campus is a most beautiful campus in Dehradun. The campus has an impressivte and pollution-free site with panoramic green surroundings.

## Games & Sports

With the belief "A healthy mind in a healthy body", HIT forays into sports arena. All facilities are available for sports. There is a sports department, functioning at HIT to ensure the needs of sports activities of all the students in our campus.

HIT has excellent recreational facilities for sports including Badminton, Table Tennis, Basketball, Volleyball, Football, Cricket and Hockey.

HIT participates in most of the games, sports and tournaments conducted by the University and have participated actively in many.

## Department of Computer Science & I.T

**B.C.A**  
Duration : 3 Years

**B.Sc. -IT**  
Duration: 3 Year

**M.Sc. -IT**  
Duration : 2 Year

HIT started Department of Computer Science & IT in the year 2001, and within a span of 21 years, our learned faculty have transformed it into a leading computer and IT institute in the region. HIT's department of Computer Science and IT has successfully built its own reputation as one of the best in Uttarakhand in terms of pioneering refined quality of learning, moral upkeep and intellectual support across all-encompassing span of advanced education in India.

HIT students here undergo an intensive training on the latest and the stand alone PCs which, coupled with the best possible faculty guidance, provides an ideal platform for bringing out excellent professional software developers, IT-managers, and computer engineers for the IT-industry. It is mandatory to undertake Summer Projects for our students in various reputed research institutes, and IT companies as a part of their curriculum.

Educational excursions form an essential part of HIT "out-of- classroom teaching" as we visit renowned educational centres and IT companies sites to expose our students to the bigger goals of their education.

HIT students are exposed to challenging curriculum to prepare them for the intense competitive atmosphere of professional computer science and IT. We are proud at the turnout rate of HIT students getting selected in various MNCs.

### Key Features

- The department has modern air-conditioned computing labs. Some of the labs are dedicated to the students and research scholars of the department.
- The whole department is connected through LAN in order to provide modern teaching and learning environment and fast access to the Internet.
- All systems are equipped with high speed and excellent Internet connectivity in order to facilitate various academic through puts and are available to the students for conducting e-learning and interactive lab session during the classes.
- The department has round the clock Wi-fi connectivity. The LAN caters to many important computing needs of the department such as compilers of the popular programming Languages, RDBMS software, Oracle, SQL Server, communication facility and Internet facility.
- All the labs, have latest hardware and software and are connected through L A N . Norton protection management & Internet security gateway are installed for virus protection and protection against eavesdropper.

### Career Opportunities

The primary reason why many students choose HIT's computer & IT course as their first choice initially is because they see it as a way to change the focus of their careers. The road to a well paying, challenging computer career begins with adequate academic preparation. Three years degree courses are most appropriate. Students who have opted for branches like mechanical, civil etc. are changing their fields and becoming computer professionals. Areas where IT and computer professionals play very vital roles are Software design and development and marketing. Today HIT's computer & IT professionals are in great demand, and are getting high salaries all over the world.

# Centre For Student Development

Our earnest effort throughout the year is to help students develop all the good qualities lying dormant in them. The students are made to attend Personality Development and English speaking Programmes in addition to their regular classes.

The sessions are conducted meticulously by expert faculty and external resource persons who attempt to hone innate skills of the students. This programme of CSD prepares the students to handle all kinds of interview panels with success.

## Personality Development Programme (PDP)

Personality Development Programme is a special feature of the Institute. Himalayan Institute of Technology, lays great stress on Personality Development. This programme helps the students in developing their skills and also gives them a great start in their career. All students are exposed to unique modules of learning in personality development such as

- Leadership Traits
- Confidence Building
- Business Communication
- Problem Solving
- Ability to work in team
- Communication Skill
- Individual Presentations
- Group Discussions

## English Speaking Programme

The objective of this "English Speaking Programme" is to make you speak English without any fear or hesitation.

At HIT, the major emphasis is on improving your ability for speaking English fluently. Faculty encourage you to learn English by speaking. English Speaking Classes are fun because you get to learn to speak in English in a group with such as role play pair work and group work.

We improve your communication skills through dynamic activities focusing mainly on speaking, listening and Interact with your classmates in different social circumstances both real and role played situations. This enhances confidence to speak fluently at different range of situations. Thus we-

- Build your vocabulary of English language
- Improve your listening skills
- Increase your command over language.
- Practice speaking English in a range of situations

# How to Apply

## Admission Procedure

Institute has limited seats in each and every course as per University norms. Student can register himself/herself for a course by paying a Registration fees of Rs. 15000/- along with filled in application form and submit the same at institute's admission office.

## Students' Uniform

Uniform develops the sense of professionalism and inculcates discipline among the students. Uniform also bring uniformity in the institute. The uniform is arranged by the students themselves.

## Conduct and Discipline

The students are expected to maintain discipline and a peaceful atmosphere for learning. They have to be courteous and polite to their fellow students and teachers. They have to be regular and punctual in attending their classes. If a student fails to abide by the rules and regulations of the institute, in that case, keeping in view the

welfare of the fellow students and teachers, he/she may be expelled from the institute. In such case the decision of the Director of the institute will be final and binding.

## Withdrawals

Students are not allowed withdrawals in any case from the institute, once they are admitted. After admission the entire amount paid by a student shall stand forfeited, in case a student seeks withdrawal. This applies to dismissals as well as withdrawals, voluntary or otherwise from the institute's rolls.

Any change in course eligibility, course duration, course name and fee structure brought by the competent authorities will be binding on the students and has to be followed by them.

Fee once paid is not refundable under any circumstances at all.

Any dispute and/or claim of any nature whatsoever will be subject to the jurisdiction of Dehradun court only.
